This older brother evidently knows how to play doctor, in real earnest. He knows about Ayer's Cherry Pectoral. His mother told him. Her mother told her, and her grandmother's mother told her mother. It's the one standard cough medicine for children.

Ayer's Cherry Pectoral

is entirely free from narcotics or poison of any kind. It is the great remedy the world over for colds, coughs, croup, whooping-cough, influenza, la grippe, and all bronchial complaints.

Accept no substitute or cheap and worthless imitation. Be sure you get Ayer's Cherry Pectoral. Put up in large and small bottles.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U.S.A.

BID FOR TOURISTS

The Territorial Transportation Committee has issued a pamphlet which is to be distributed widely, principally in Australia and on the Coast. The pamphlet is in the main devoted to the private hotels and boarding houses, giving information about them and their rates. It also contains a map of Honolulu showing their location, and facts relating to steamship transportation, places of interest which can be reached on the cars, baggage, laundry, photo supplies, restaurants, autos, hacks, curio stores, the Promotion Committee, banks, etc. A copy of "Aloha Oe," words and music, supplies the finishing touch. A. Hume Ford, who is the author of the pamphlet, explains that traveling agents in both Australia and California have complained that no information has been sent out which might show tourists what Hawaii has in the line of smaller hotels, and for this reason considerable desirable trade has failed to reach here.
